ZILLAH'S COMMUNITY DAY'S EVENT

In the past various city groups have sponsored and participated in Community Day's events. Elements of the event include a fun-run, breakfast and lunch in the park, parade, carnival, vendors and activities in the park, and an evening event such as a street dance or Fireman's ball. We can no longer find a carnival to participate in our event. An evaluation is being done of our events. We are interested in your input. Please answer the following questions.
