Cut on Dotted Line and Bring Form to Registration Camp

We want to thank Zillah Community Volunteers for bringing this program idea to us and carrying it out the way they did to make it such a great program. Special thanks to local businesses for their continued support for our community.

The Parks and Recreation program unofficially began in 2007. They originally signed up around 30 players but by the second week of registration camp that number climbed to 120. The program was embraced by the community and formally adopted by City Council last year. A total of 182 players registered. The program included Tee Ball, Coach Pitch and Girls Slow Pitch Softball. Fourteen teams were formed with 28 wonderful volunteer coaches. All of this activity took place in Stewart Park. The focus of the program was to bring the community together as "ONE" and that's what happened.

There was no traveling to other cities, our teams played each other, no extra fees, in fact, each player paid a \$12 registration fee. During the games the park was filled with over 400 people. We are hoping to expand the program each year.

## Parks and Recreation Mission Statement

Our mission is to provide and promote community leisure as well as recreational and cultural activities for all citizens. This is accomplished through joint efforts of staff and community volunteers who work together in organizing recreational programs and activities. Through this combined effort, we strive to enhance personal well being and to improve the quality of life that makes Zillah a great place to live, work and play.
